

Your patient is in-network through the Cigna® PPO Network

Dear Provider,

Your patient is covered under a major medical plan that uses Cigna's PPO Network. If your practice participates in Cigna's PPO network, this patient is in-network with you and should be treated like any other Cigna PPO patient through your Cigna network contract.

The plan is administered by Angle Health, and claims for these members are processed through Angle Health. This is a major medical plan, it is not a discount card, and it is not a third-party "repricing" arrangement. Please do not turn the member away or treat them as out-of-network.

Because claims are processed through Angle Health, the electronic payer ID and claims mailing address below differ from the general Cigna address you may be used to. This is correct and expected. Please use the information shown here and on the member's ID card.

Verify eligibility & benefits	Payer ID: ANGLE Online: eligibility.anglehealth.com
Submit claims: electronic	Payer ID 62308
Submit claims: mail	PO Box 188061, Chattanooga, TN 37422
Prior authorization	855-937-1811
Provider questions	providers@anglehealth.com 855-937-1811

Always refer to the patient's member ID card, which displays and confirms the network and billing information for the patient.

can
also confirm eligibility and claim status at www.anglehealth.com/providers.

Regards,
Angle Health
